Re: Service Renewal Agreement

Dear Bill

As always, it is a pleasure to work with you. Hard to believe we have covered 10 years together. Ten years says a lot for any business relationship.

Your professionalism and timeliness of your services are especially appreciated. I know that I can count on you to help me through the tax reporting jungle. The format for reporting that you supply is thorough and easy to follow. I have not always been prompt in supplying you with the information needed but your gentle reminders and attention to my deadlines have pulled me through time and time again. I have counted on you and have never been disappointed. And I do thank you for all you do to get me through another year.

As we renew our services agreement for another term, I can rest assured that you will continue to take excellent care of this account as always.

Sincerely

Donna Croup
